

BOSS CHURCH NEWSLETTER

OCTOBER 2022

ISSUE 10

BOSS,

It has been a wild ride since we moved into 2326 Florin Road, we have changed as individuals, as a church, and a world. We moved to 2326 with the goal of making it the permanent headquarters of BOSS Church, a place in which we can encounter the Lord and go out to build His kingdom. The first month in the building we saw amazing momentum as an average of 40 people joined the church every Sunday, we were well on our way to no longer being a mobile church, and then the world stopped.

Along with every other church we found ourselves in uncharted waters . We dealt with anxiety, fear, and division. The pandemic and the shelter in place found us having to pivot in ways we never imagined. It was extremely difficult and we made mistakes and learned lessons but, we were reminded yet again that God is faithful. The Lord is so faithful that when more than 5,000 churches closed in 2020 and again in 2021, BOSS remains!

It is this reminder of His faithfulness that moves us forward into our next season and beyond. God's faithfulness to BOSS has been constant and stirs our faith for our next steps towards the vision the Holy Spirit has given us. As you look through the following pages you will see how myself, and our leadership team, have laid out the plan to move us into the vision of God for BOSS. I pray as you read the vision that you will be able to run with it in grace and joy, and with a heart of passion and sacrifice. We are called to transform every community the Lord places us in, may we continue the path our founding Pastor, Bishop Carthen, started us on and press toward the mark of this high call. Let us build the church, and reach the world!

Frequently Asked Questions

Q: How long will the IMPACT Campaign be?

A: Two years

Q: What happens to the Blueprint Campaign

A: The Blueprint will be sunset on September 11, 2022

Q: What happens with the income generated by the Blueprint Campaign?

A: All funds that were/are given to the Blueprint Campaign have been and are being used on building related expenses.

Q: Does this take the place of tithe and offering?

A: No, this does not replace your regular tithes and offerings (T&O) but would be above and beyond your regular T&O. So if you typically give 500 per month for T&O, and you pledged 250 per month for the campaign then you would be giving 750 each month.

Q: How does the Spiritual Journey work?

A: The Spiritual Journey is a time for fasting and praying for ourselves as individuals, and for the church, as we step out in faith on this journey to IMPACT the Community.

Q: When do I make my commitment?

A: Because this is not an act that can be taken lightly, we are allowing time to seek God. We will be asking that you make your commitment on Sunday, October 9, 2022.

Q: What happens if I am not able to keep my commitment?

A: We strongly encourage you to stretch but also do so with wisdom. However, we understand things happen beyond our control and as such there is no penalty to the individual, but that amount would then fall on the church to replace which could become detrimental to the campaign if too many people can't keep their commitments.

What Can I Do?

Your whole life is a gift from God. All of it, including your time, your talents, your energy, and your resources. What will you do with it? What would you do if you knew God was ready to something amazing with it?

Pray: Prayer is the roadmap for the journey we are on together. Gather your family and ask, "What would God have us do?"

Give: Bring your sacrificial gift, above your regular tithe, on Commitment Sunday, October 9th.

Commit: Complete the Impact Campaign commitment card and bring it with you on Commitment Sunday, October 9th..

Hey BOSS Family!

The Ministry Team has been actively working to better organize each ministry so that they are healthy and running effetely. One of the things we've implemented is a new role called the

[Volunteer Coordinator -
bossvolunteer@bosschurch.com](mailto:bossvolunteer@bosschurch.com)

This role will allow us to better assist each ministry with qualified volunteers for multiple needs, better keep track of areas you as a volunteer and serve. As well as free up ministry leads from having to worry about getting the help they need. It is extremely important to us that our ministries have everything they need to function for the growth of the church and the community. This means BOSS Family, that we are working very hard to make it easier for you to serve in areas you're called to serve or when you just need to be a helping hand.

Look for the *Volunteer Coordinator*, under the Church Ministries & Groups so you can get plugged into any ministry or you can be placed on the volunteer list for any need of the church.

Thank you
BOSS Leadership Team

**BOSS CHURCH CRIED OUT TO THE
GOD OF ISRAEL, SAYING, "OH THAT YOU WOULD BLESS
US INDEED AND ENLARGE OUR COASTS
(TERRITORY, PROPERTY, BORDER),
THAT YOUR HAND (YOUR SPIRIT) WOULD BE WITH BOSS CHURCH
SO WE CAN HANDLE ALL THAT YOU GIVE US,
AND YOU WOULD KEEP US FROM EVIL SO
THAT NO HARM (PAIN) COMES TO US AND
WE DON'T CAUSE HARM (PAIN) TO ANYONE ELSE!"
AND GOD GRANTED THEIR REQUEST.
1 CHRONICLES 4:10 (ALTERED)**
